

Chula Vista Elementary School District

Senior Parent Ambassador Program

The Senior Parent Ambassador Program is an opportunity for seasoned Parent Ambassadors to take the next step in leadership and expand their impact within the Chula Vista Elementary School District (CVESD).

In this role, Senior Parent Ambassadors will:

- Mentor and support new Parent Ambassadors as they begin their role
- Help share district-wide information and family engagement opportunities with school communities
- Partner with school leadership to strengthen and expand family engagement efforts
- Represent their school community at quarterly district Parent Ambassador meetings

If a school site does not currently have a Parent Ambassador, the Senior Parent Ambassador will serve as the primary representative supporting family engagement at that site.

Eligibility Requirements:

Ready to take the next step? Candidates who have completed at least one full year as a Parent Ambassador are invited to participate.

The Parent Ambassador Program is a district-wide initiative designed to strengthen the home-school connection and support high-quality learning experiences for all students. The program is part of Goal 5 of the district's Local Control and Accountability Plan (LCAP) to foster shared responsibility and accountability between families and schools.
