CVESD Curriculum

The District uses state-adopted curriculum and supplemental instructional resources to provide standards-based instruction to all students.

Textbooks, workbooks and online resources are utilized to deliver instruction and provide practice.

Parent's Right to Know

Parents have the right to know about the teaching qualifications of your child's classroom teacher and/or paraprofessional in a school receiving Title I funds.

You may request the professional qualifications of your child's teacher or paraprofessional that is working with your child.

You have the right to know:

- Whether the teacher has met State qualification and licensing criteria levels and subject areas in which the teacher provides instruction;
- Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived ;
- Whether the teacher is teaching in the field of discipline of the certification of the teacher; and
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

Your Involvement is Key to your Child's Success!

You are your child's first teacher.

You have the ability to influence your child's education more than any teacher or school.

You know your child best:

- oShare information about your child's interests and abilities with teachers.

- oAsk to see progress reports on your child.(View parent portal for information on child's academic progress.)

Thank you!
